April Talks

April 7th: Robin Goff “Regenerative Living”

Let's explore some ways to simplify our lives in order to create the conditions to enhance all of life on Earth. What are the ways we can restore our culture to be more life affirming and rise above practices that are destructive to our habitat? Permaculture is about agriculture, but it is so much more than that. Right after Easter is such a perfect backdrop to explore the resilience of Life.

Special Music: Sugarfoot Detour

April 14th: Rev. Jeniffer Hutchins “Magic & Miracles”

Albert Einstein is quoted as saying, “There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle.” Which do you choose? Rev. Jen Hutchins joins us to share stories of magic, miracles, and the power of prayer upon which the Unity movement was born .

Special Music: Stephanie Bland

April 21st: Diane Silver

“Greatness Does Not Require Perfection”

A talk about our quest to become who we truly are.

April Talks

April 28th: Cindy Smarsh “The Business of Hope”

Life can be a roller coaster ride for most of us, so whenever we feel it's moving too fast or unpredictably or even seemingly upside down, we want to buckle up with our faith and get about the business of hope. Let's talk about how to find it no matter what.

Special Music: Tim Behrens
